Synopsis :

Book Description This collection of examination papers provides the most authentic exam preparation available. They allow candidates to familiarise themselves with the content and format of the examination and to practise useful examination techniques. This Student's Book with answers includes Audio, downloadable from the website. The Student's Book with answers contains a clear explanation of marking and grading, authentic sample answers, transcripts, and frameworks to help with thorough preparation for the Speaking test. The downloadable Audio files contain the exam Listening material. Audio CDs and a Student's Book with or without answers are also available separately.
